SUPER LOCK™. Interlocking Exterior Aluminum system is unique to Haulin Trailers... Lasts longer, looks much better, resists rust or stain. The interlocking aluminum panels are glued and mechanically fastened so that it doesn't show.

Our standard primer, paint and Z-Tec™ coating provides superior chassis protection for longer, trouble-free life. LED lights inside and out improve performance and appearance.

Rear barn door -standard. Ramp doors optional. All doors have advanced automotive Seals -locks out dust, moisture, and road grime for superior protection.

Standard radial tires with 24/7 Emergency Roadside Assistance, improved towing, safety, and performance means added value.

All models have DryMax™ Engineered Flooring, and walls, standard. These high performance engineered panels resist moisture and chemicals -will not absorb moisture, swell, warp, or delaminate. Stronger and stiffer than plywood.

*Emergency roadside assistance requires your spare tire.
